

IMPORTANT CHANGES TO VISA ON ARRIVAL PROCESS

AT KILIMANJARO INTERNATIONAL AIRPORT (JRO)

16 August 2019

We would like to inform all of our agents that the Tanzanian government has made changes to the process of issuing visas on arrival at Kilimanjaro International Airport (JRO).

These changes will be implemented with immediate effect.

While visas on arrival are still available, there is a new process which will involve:

1. Queuing for a Government Control Number – this is required for any government payment
2. Queuing to pay for the visa using the Government Control Number at the bank at the airport
3. Queuing for Immigration to check and issue the visa

These new changes can lead to the visa on arrival process taking in excess of two hours to complete.

Visa fees remain the same and certain visa restrictions and special permissions still apply. You can see the full list of visa guidelines [here](#).

PLEASE NOTE:

To avoid long wait times, we strongly recommend applying and obtaining the necessary visa prior to travel. This can be done at the nearest embassy or online via the [e-visa portal](#). The online process usually takes between 2-3 weeks.

Please contact us if you need any further information.

Kind regards
